Nov. 2015

Halloween will soon be over, Thanksgiving is rapidly approaching. It won't be long before we will start decorating for the light judging. Don't want to put those beautiful lights and decorations on a dirty house and mailbox! Does your sidewalk need pressure washing, does your mailbox need to be wiped down with Clorox, do your bushes need trimming, grass cut, yard edged? We all want Canterbury to be a beautiful place to live.

A reminder to keep car doors locked at night and don't leave valuables inside. If you see anything suspicious call the non-emergency number to police 247-8000. Sheriff has reported there has been a group in our area checking unlocked cars for valuables. ALWAYS lock your car even if you are just running in a store for a second or escorting your child into school. Only takes a second for them to take your valuables.

Still waiting to hear when the rest of the sidewalks will be repaired.

Hillsborough County District #3 offers a vacation watch of your house while you are gone. Go to the headquarters on Gunn near Citrus Park Mall and fill out the paperwork if you want them to keep an eye on your property.

Naquib Quariski stepped up to take Warren Williams place as Member at Large. Salima Gardner is our social chairperson. Elections will be held in January. Please think about devoting a short amount of time every other month to your community. Attend this month meeting or contact a board member if you are interested.

Salima has put together a Halloween night of fun! You should have received a flyer. If not contact Salima at salimaek@gmail.com

Bushes have been planted along the length of the north wall. The sprinklers have been moved and adjusted by North Tampa Irrigation service.

**Next meeting is Monday, Nov 9th at Austin Davis Library at 7:00.
Hope to see you there.**
