Hello everyone,

My name is Lucie Olekson. I am the secretary of NJHS. As you know throughout the year we will be supporting Linda L. Kelley Animal Shelter and each month we will support the animals at the shelter with donations. Each month your donations will assist a different animal. This month we will be collecting treats for the cats at the shelter. Here is a list of the treats for the cats...

- Wet food
- Dry and canned food
- Treats
- Kitten milk replacer
