

<p style="text-align: center;">Literacy</p> <p>Our literacy focus this half term is linked to Cambodia and science. We will be writing stories which are set in specific locations; a travel guide and explanations.</p>	<p style="text-align: center;">Mathematics</p> <p>This term's focus will be covering:</p> <ul style="list-style-type: none"> ● Adding and subtracting fractions ● Short Division and Long Multiplication ● Perimeter, Area and Volume ● Decimals, and Percentages ● Roman Numerals ● Line Graphs ● Interpreting timetables 	<p style="text-align: center;">Science</p> <p>The science module for this half term is 'Earth and beyond.' The children will develop their knowledge of the Earth's (and other planets') place in the solar system. They will learn about time differences around the world; how day and night occurs and what creates the change in seasons.</p>
<p style="text-align: center;">Music</p> <p>Children will continue to learn to play the steel pans this half term.</p> <p>Lessons will take place as a whole class during the school day.</p>	<p style="text-align: center;">Summer Term 2</p> <div style="text-align: center;">  </div> <p style="text-align: center;">Please support your children in the following ways:</p> <ul style="list-style-type: none"> - Recording home reading in learning logs 4 times a week. - Supporting grammar and maths homework. - Regularly practising times tables. 	<p style="text-align: center;">History/Geography</p> <p>Children will be learning about Cambodia through a shared learning project. We will be sharing videos to show different experiences in the two countries. Children will understand the differences between England and a developing nation.</p>
<p style="text-align: center;">PSHE and RE</p>		<p style="text-align: center;">Art/Design Technology</p> <p>This half term the children will be making rockets. This is linked to their science curriculum for this term.</p>
<p>Year 5 RE curriculum has been completed this year. As a result, lessons will be taught as 'stand-alone' lessons, not focusing on a particular area. The PSHE unit for this half term is on 'Managing Change'.</p> <p>In this unit, children will consider situations involving change in a range of contexts. They will explore the emotions involved in change related situations and how feelings can change over time.</p> <p>The children will also learn about the physical changes that occur during puberty. The school nurse from Thurrock NHS trust will be in school to support this learning.</p>		<p style="text-align: center;">ICT</p> <p>The ICT and computing unit for this half term is 'We are Architects'.</p>
