Join PTA

"Every Child, Every Chance, Every Day!"

Dear Arnold Elementary Families,

Arnold Elementary PTA welcomes you to our school and invites you to become part of our active organization of committed parents and teachers, working together to improve the quality of education available at Arnold. PTA membership is one of the best ways that you, as a parent, can become involved in your child's education. We have a full year of fun and exciting activities planned for you and your child. We are counting on the support from everyone to make this year a success.

Your membership will help support Arnold Elementary School's many valuable programs, such as providing additional teacher classroom supplies, hosting cultural arts programs, purchasing school technology, hosting fun family activities, sponsoring field trips, and so much more! Your membership also gives you a vote at PTA meetings, including votes to determine how the PTA spends money raised during the year.

Annual membership dues are \$5 per adult/teacher/staff member or **\$10 Family Membership**
