

NCRTAC Out of Hospital Committee Meeting
February 12, 2024
Zoom

Members present: Ken Marg, Del Horn, Linda Vollmar, Corey Smith, Scott Langa, Adam Meshak, Phil Skoug, Rob Bowen, Jason Joling, Anthony Luchini, Joe Gemza

Chair: Dr. Michael Clark

Recorder: Michael Fraley

Call to order	Meeting was called to order by Dr. Clark
Tourniquet request	<ul style="list-style-type: none"> A request was received from Jeff Nuernburger (former EMS provider & NCRTAC participant) who is with Loos Machine in Colby. They have done first aid training with staff and are requesting 12 TQs. APPROVED.
CQI Document Template	<ul style="list-style-type: none"> Group asked if the hospital trauma registry staff would have any fields we should include. Michael will check Michael will update the form and send back out for review and possible piloting.
Thorasite	<ul style="list-style-type: none"> Michael presented an idea of purchasing a supply of SAM Thorasite devices for ALS providers. SCRTAC did this with positive comments. Group agreed to purchase 2 for each ALS ambulance plus one for each service for training TEMS services should be included
Fall Conference	<ul style="list-style-type: none"> Group discussed the idea of having a fall conference aimed more at EMS providers with more hands-on/skills content Idea was voiced to use the day as a recruiting opportunity, particular for high school students Media and legislators could be invited Stevens Point offered to help host Michael will begin to form a committee
STEMI	<ul style="list-style-type: none"> Discussion about STEMI protocols and heparin use Some agencies are only doing the bolus doses and no drip Some are using the drip bag to do the bolus and then switching to the infusion
Next meeting	TBD
