

Anchor Town House Rules:

(*) Denotes the rule(s) Anchor Town Plays by

(-) Denotes the ASA rule in place that will not be used

All:

*Orange bag at first is mandatory to touch if a play is coming to first base.

* If a play at first base is being made from foul territory the fielder must tag orange bag to record the out and runner must tag white bag.

-ASA rule: the orange bag is an appeal play

* Courtesy Runner rule- The Batter Furthest in the order of the same gender. If that batter is currently base continue to the next furthest batter in the order of the same gender.

-ASA rule: One courtesy runner per inning. Can be any active rostered player.

* One courtesy runner is allowed per gender per inning. (One male, One female per inning.)

Coed:

* A team short one or two male player can insert one or two female players into a male position in the lineup for the entire game to get the team to 8 or 10 players. (rule does not apply for making a team of 12 with extra hitters) If a male player shows up they MUST be inserted into the lineup in the female's position immediately. This does not cost the team or female player a substitution in the game.

- ASA rule: Game is played with 9 players if short one male with a ghost or the game is forfeited if short two male players.

* No ghost outs for playing with 8 players. (one male and one female player shorthanded or if playing with a female in a male position to make 8 there will be no ghost out either)

-ASA rule: 2 ghost outs

Men's:

* Men may play with 1 or 2 extra hitters

-ASA Rule: Men may play with 1 extra hitter

*Men's E teams may not steal bases

-ASA Rule: All Men's teams may steal bases

*There are no ghost outs in Men's

-ASA rule: There are ghost outs

CoRec:

* A team may play with as many females as they wish

* There is no set proportion of gender playing infield/outfield positions

* Women can be placed anywhere in the batting order

*A team does not take a ghost out for playing with one less male. A team does take a ghost out for playing with one less female. A team is allowed to play short 2 players as long as it is not 2 females. A team playing short one male and one female or two male players takes no ghost out.

*A team may substitute a male into a female position as long as their minimum of 3 women are met. Or 4 if the team is batting 2 EH's.

*If a team is using the EH it must be a male and female player.
