A NEW AGE IN NATURAL HERBAL SUPPLEMENTS

LODAAT or "Live One Day At A Time" is an American science based firm founded in 2007 with the objective to provide the world's best nutraceuticals, botanical ingredients, and therapies. Our quest to research health and wellness secrets has resulted in unique formulations, proprietary manufacturing processes, and programs.

We are an innovation-based firm. The paradigm shift of implementing US technology with leading emerging market partners to produce the highest efficacy and stability has been the inspiration behind the launch of LODAAT.

410 40th Street Downers Grove, Illinois 60515, USA, Tel.: 630 852 7544

www.LODAATPHARMA.com

CLINICAL TRIAL DATA DATA TO SUPPORT CLAIMS

Many of our ingredients include Academic and government sponsored trials including Double Blinded Placebo Controls

MANUFACTURING MADE IN USA

Our finished formulations are made in the USA. We have invested years in developing our own Proprietary extraction process. Our Goal is to provide the best quality efficacious product

RESEARCH & DEVELOPMENT USFDA LAB

Our lab capabilities include: wet lab, instrumentation lab, and microbiology section. Formulation development for blends as well as compression products is part of the process

CULTIVATION WORKING WITH GROWERS

We work with growers and have Fair-Trade Certification. Many ingredients also have Kosher, Halal, and US Organic certification, We use Ancient natural AYURVEDIC growing techniques
