February 11, 2011

To the Sherburn and Welcome City Councils,

January was a rather quiet month. The department logged 72 calls for service, which is roughly the same as 2010. This is, in part, due to extremely cold weather for most of the month. As the temperature starts rising, I expect to see the call load increase as well.

The new squad went into service on January 13th. Also replaced was the radar unit that was in the squad car. The old unit was approximately 11 years old and was beginning to have issues. We had replaced one of the antennas with a spare that we were able to get from an old unit from Fairmont. We will now have parts for our other two units which are still in use at this time.

The old car will be listed for sale in the near future. The striping on the car still needs to be taken off and I hope to open the car up for bids by the beginning of March. Hopefully we are able to get \$1,500 or more for this unit.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad L. Hughes", written over a horizontal line.

Brad L. Hughes
