

Your help is their hope!

Your sponsorship will make this special event a complete success!

On July 12, 2017, Ashley Homestore and Blankets & Bears will surprise 32 special children with a new twin bed complete with their favorite NFL team bedding, an ultimate sleepover, pizza, popcorn, movies, and breakfast in the morning.

The event takes place in the Montana pavilion of Billings MetraPark

This is the first time Billings has hosted a “**Hope to Dream**” event, and your sponsorship will show great community involvement. Along with the beds, we will need donations for pillows, bedding, food, movies, games, security, media coverage, photography, entertainment, and gift bags.

YES, our business would be honored to support this great opportunity for our local kids!
