9:00am-12:00pm
Meet at visitor center

Join the Park Interpreter for a recreational hike to the northern portion of Borderland State Park. Meet at the visitor center at 9:00am, where we will then embark on an approximately 6.5 mile hike. We will keep a moderate pace along varying terrain (hills, roots, rocks, mud etc.). Dress for the weather, and we suggest bug spray, sun block, water and a light snack. Once we arrive at the northern portion of the park, on Morse Loop, we will take a little 10 minute break to take in the view before we continue back to the visitor center. Rain will cancel. Great for older children and adults that can keep a moderate hiking pace. All children must be accompanied by an adult. For more information, please call Borderland at 508-238-6566.
