## Doctrinal Point of Emphasis: The Gathering of Israel

Jesus Christ has invited us to participate in the gathering of Israel on both sides of the veil. We have been promised blessings as we share the gospel with all of God's children. We have been promised blessings as we participate in the redemption of the dead through family history work and temple worship.

**Musical Conduit:** Karalee S. Johnson

**Summary:** This song teaches us that

1) It is a our privilege to assist the Lord in his work and glory, 2) It is time for the gathering of scattered Israel,

3) God has asked us to help his children on earth return to him, 4) God has entrusted us to help those who went before us return to him,

5) We are blessed in this work, and 6) God is to be glorified in this gathering.
