

RE-WIND “THAT 80’S BAND” BIO

Fronted by the dynamic vocal trio of Belinda, Cassidy and OMG Becky, Re-Wind “That 80’s Band” brings the 80’s dance party to you! Re-Wind creates a fully immersive audience experience with professional lights and sound plus totally bitchin’ 80’s costumes.

Re-Wind plays a wide variety of 80’s material from Blondie to The Pretenders to Tom Petty, Journey, Madonna and Bon Jovi and has about 100 songs in their repertoire. The common denominator is that it’s all danceable!

The group consists of seven members. Belinda Starr, OMG Becky and Cassidy aka Brian Tucker on lead and backing vocals. Belinda cut her teeth in a touring band in the Phillipines, Becky had her own band for the past 14 years while Cassidy has been a rocker since the late 80’s.

Holding down the dance grooves are Angyl Thundarr on drums and Leggy Biggurlsblouse on bass. These guys keep the dance floor hopping into the wee hours of the morning.

Keyboard and synth duties are handled by Rusty Rugmoenchen. Rusty came out of semi-retirement to dust off the old spandex pants and hair band wig to lay it down for Re-wind. He played in the metal band Monikker back in the late 1980’s.

Last but certainly not least is our guitar slinger Voulez-vous Coucher Avec Moi. Voulez-vous dishes out some serious musical debauchery over the course of an evening to those poor unsuspecting dance partiers.

Hire Re-Wind “That 80’s Band” for your next corporate event, private party, club date or festival. The audience will have a "totally bitchin" time, the house will sell drinks and your event will be a “totally awesome” success.
