

NO KID LEAVES EMPTY HANDED!

"TT Scrambles Championship Series 2018"

January 29, 2018 – Apple Valley, CA: The Old School Scrambles Racing Group welcomes **SoCal Maico** to our lineup of sponsors for the **2018 TT Scrambles Championship Series** this year. Gary Kortz, owner of **SoCal Maico**, is very active in the vintage motorcycle scene and strives to enhance the market to include today's younger generation as he knows they are the future of the sport.

"I have two young grandsons who love motorcycles and I want to be sure they have fun, while learning all they can about where our sport came from" Gary explains. *"At the last event, only one of my grandsons received a picture award. While he was very excited, the other was not. I knew then I needed to get more involved to make sure no kid left empty handed"* he added.

To take it to a new level while encouraging more riders and their families to attend these TT Scrambles events, **Kid Mini Support** class competitors will receive an action photo of themselves from the days racing, compliments of **SoCal Maico**. No kid will leave the track empty handed, each will take a memory of the day with them. Our combined efforts ultimately will work to introduce the younger generation to sport, while educating the public as to what **TT Scrambles** was, who the legends of the sport were and what is most important, to have **FUN** doing it as well.

In addition, any class winner riding a **Maico** will receive a **FREE** SoCal Maico T-Shirt.

So, grab the gear dad/mom, and the kids and let's go racing! Come on out to Glen Helen Raceway on **Sunday, February 11th** for the opening round of the **TT Scrambles Championship Series** @ Glen Helen Raceway, sponsored by Rod Lake Racing, Reign VMX, SoCal Maico, TMC Co, Bonfire Racing, Baldy Mesa Cycle, Moto 76, Diamond Construction, Noleen J6, AV Excellence, Pro Clean 1000, Engine Ice, Rosa Plates, Chaffee Tile & Stone, Channel Island Floor Coverings and D&J Drywall & Painting.
