NAME:

AGE:

I would like to know more about your musical interests and what do you wish to accomplish with the guitar. Understanding what type of music you enjoy will help me to prepare better lessons.

- 1- Have you studied the guitar or any other music instrument before? If you have please explain more about you preview music experience:
- 2- What type of music do you like the most? Rock, jazz, country, pop, classical? List some artists, bands or ensembles that you really enjoy listening to.
- 3- What would you like to learn in this class? I will be covering the basics of guitar because they will serve as the foundation to any music genre. However, the goal is to help you learn what you would like to play on the guitar.

4- What do you think it's the most challenging thing about learning the guitar?

5- Who inspired you to start taking guitar lessons? Family members, friends or another artist?

6- How busy is your schedule? Practicing the instrument is critical for the progress to start happening. Therefore, please tell me how long do you plan to practice the guitar every day?

7- Do you have any questions for me? Or anything else you would like to say about the class, guitar or music in general. I am here to serve you 😊
