

Christian Roots Album Song Lyrics

Faith On Fire

Throughout my life my faith has waned, my soul was burdened with heavy chains.
But through the darkness I could see Your light, waiting patiently for me to ignite.
Your love it fans the flames and melts away the chains.
My faith is on fire, my burning desire, keeps me moving higher.
My flame will never expire, it keeps burning brighter, I've never felt so alive.
I've read Your word and what it has to say and gathered with others, also in dismay.
Before too long I found my spark, and a flame appeared inside my heart.
The more I learned of Your unending love, my heart now on fire started rising above.
The flames of my faith are roaring with praise, blazing the way to Your amazing grace.

Jesus My Redeemer

Jesus my redeemer You paid for me the price.
You set my soul forever free to have eternal life.
With Your blood, Your love and grace You gave it all for me.
I will stand strong and spread Your word so all can be set free.
Jesus my salvation, You suffered on the cross.
So I can live my life with You and never be alone.
Jesus You're my savior, my redeemer and my guide.
I want to live each day with You forever at my side.
You paid my way with so much pain I owe to You my life.
You walked with us as flesh and bone to show us what to do.
When we pray our prayers, we bring them all through You.
I feel your presence all around with every breath I take.
You renew in me all of God's love, that love I won't forsake.

Christian Roots Album Song Lyrics

Raise Me Up

I am down and broken by all of life's despair.

There seems to be no place to turn and no one that really cares.

Raise me up! Please raise me up!

And He will raise me up into His glory, on angel's wings His love I'll carry.

I'll glorify His holy name. It is the name of love.

Oh God please raise me up! My God will raise me up!

My soul is crushed by the weight of the world.

My heart is shattered and I just can't be heard.

I plead for You to hear my cries before my soul forever dies.

I fall on my knees and pray out loud. I surrender myself to You with my head bowed.

Raise me up! Please raise me up!

Please hear my cries in the dark night and never let me go.

I commend all of myself to You, Your grace you have bestowed.

Please fill me with all of Your love until it overflows.

Raise me up... Please raise me up...

And He will raise me up into His glory, on angel's wings His love I'll carry.

I'll glorify His holy name. It is the name of love.

Raise me up... Please raise me up...

You Pull Me In

I want Your love, to shine down on me. I want Your grace, to set my soul free.

Please let me take, hold of all that You give. Through all You do, You help me to live.

Hey Hey, Yah Yah! Hey Hey, Yah Yah!

You pull me in, You're without a doubt. You pull me in, the one that it's all about.

You pull me in, I just want to shout. You pull me in, and let Your love pour out.

I know the way, to open my heart. I know the way, to get a fresh start.

It's with Your love, that will show me the way, how to live my life every single day.

I want to be pulled into You, so all Your blessings will come true.

I know the only thing to do, is to let You in my heart.

La La La La La La La, La La La La La La La ,

La La La La La La La, I want you in my heart!

I want to live, my whole life with You. I want to live, and push myself through.

Until the day, that You bring me home. Wrapped in Your arms,

You'll always keep me from harm.

Christian Roots Album Song Lyrics

Jesus Lives

Whoa O Hoe, Whoa O Hooe, Whoa O Hoe, Hooooe
Jesus lives! Jesus lives! Jesus lives! And his love will live forever!
Jesus brings me my daily bread and always keeps my spirit fed.
He is the one that keeps me strong and keeps me going all day long.
I know His love is everlasting and true, it's always there for me and you.
He's the light that shines in the dark and guides us like the brightest star.
He died so that we all can live and all our sins He will forgive.
He showed us how to love each other, that we are all sisters and brothers.
So ask yourself what would Jesus do? And how would His love always come through?
If you live your life in this way, you can never go astray.....hey....
I know that my redeemer lives, with all the comfort that He gives.
Jesus lives to show us all the way, so use His name every time you pray.

Triune Song (Three In One)

God the father You created all that is. Your love abounds with all that You give.
With open arms You always there, to comfort me when I shed a tear.
For Yours is the kingdom, the power and the glory.
For Yours is the kingdom, the power and the glory!
For Yours is the kingdom, the power and the glory!!
Forever and ever, Forever and ever.....
The Father, Son and Holy Ghost all wrapped up in one.
Together or alone, God's will, will all be done.
With the triune of our one true God we will never be alone,
never be alone, we'll never be alone.....
Jesus Son of God, You showed us how to love.
You gave Your life for all of us, You shed for us Your blood.
The Holy Spirit surrounds my soul with warmth and love and hope.
You nourish me with divinity and make my spirit whole.
You're the Father, You're the Son, the Holy Spirit, You are the three in one.

Christian Roots Album Song Lyrics

Christian Roots

I was raised with the spirit in my heart and I knew that Jesus was never far apart.

He was always there for me awake and asleep.

Every night before I went to bed, I would pray to the Lord before I rested my head.

I pray the Lord my soul to keep.

God is love, He's here for all of us.

I have been blessed to have Christian roots and to share with you what I know is the truth.

Jesus was here to show us all the way, it's worth it to hear what He had to say.

So whether you found Him before or just now, follow His love and make a new vow.

As a child I never felt alone, I knew that God was always in my home.

To keep me safe from all that could do me harm.

My love grows stronger every day, I feel God's love in every way.

His presence is rooted deep in my heart. I know He'll never be far apart.

Amazing

Amazing!

As I go through every day I'm amazed at how I feel.

Even though I stumble and fall God's love is always real.

He gives me hope when I'm down and lost, my soul He has set free.

I want to tell Him how I feel and how I now can see.

Amazing!

You are amazing, Your love lasts forever, all I want for You to be in my life.

You are amazing, Your grace overflowing, with You I know everything will be alright.

God's love is never ending and abundant to us all.

It's all yours for the asking He will always hear your call.

So bring to Him your hopes and dreams every time you pray

And let Him know you want Him there and don't forget to say....

His love it lasts forever, I want Him in my life. His grace is overflowing everything's alright.

My God is just amazing He makes my soul take flight.

We're all in this together, together we go on.

Sons and daughters of the one true God, He keeps us all from harm.

With His love we can't go wrong it always keeps us true.

Let's sing it loud for the world to hear, our voices will break through.

Christian Roots Album Song Lyrics

Shout It Out Loud

If you've heard the calling each and every day
And if you feel the closeness of God when you pray
Then you have been blessed beyond understanding
You've unlocked the door to your life's true meaning.
Let's sing it out loud! Let's shout it out loud!
Shout it out loud if you believe.....I believe!
Shout it out loud if you can see.....I can see!
Shout it out loud if you are free.....I am free!
Yes I believe, and I can see so I am.....set free! I believe!
Do you believe in the one true God? It will help to define who you really are.
A disciple who carries hope and love from our God in heaven above
So shout it out loud for all to hear that you have found God and all that's dear.
The clouds are apart so everything is clear, you are one with it all and will persevere.
Can you see that all things are one we're part of each other, the earth moon and sun.
That God is in all things seen and unseen the creator of all that has ever been.

Child Of God

You are made in God's image so how can you be flawed? You're not if you're a child of God.
So pick up the bible and learn who you are. You will soon find you're a rising star.
Even with your bruises and all your scars, you will realize how great you are.
If you walk hand in hand with our dear Lord and search for the truth, leave nothing
unexplored.
So pray with me on this glorious day!
I will live my life as a child of God and never again think my life is flawed.
With faith in God I will see the way and love will envelope every day.
I know that I am not alone, I've found the place that I belong.
Into your hands my soul I commend, I trust in You.....Amen
The wonders and mysteries will soon be revealed
and all of your wounds will all become healed.
For you are in God and God is in you, embrace all the love with all that you do.
It will all come together, you'll never be the same, you'll never again live life in pain.

Christian Roots Album Song Lyrics

WWJD (What Would Jesus Do)

There are times in your life when it's not always clear.
When you listen but you can't really hear.
If there was only a way to help cut through the dark,
A guide to help you follow your heart.
Just ask yourself what would Jesus do, it will always help you to stay true.
He would give. He would love. He would commit Himself to you.
And He will. And He did. He died on the cross for me and you.
When you're just not sure what's right and what's wrong
And you're not even sure why you were born.
Just look for the light to show you the way.
The light of the world will help lift the weight.
Ask and it will be given. Search and you will find.
Believe in Him and be blessed with eternal light.
He is the way, the truth and the life. Let Him into your heart and you'll become alive.
Know that He is with you always, till end of all time.
We can all live our lives with goodness and hope.
There's one true way to keep yourself whole.
Just look to the one who laid down His life and paid for us all, the ultimate price.

You're my God (Halleluiah)

Halleluiah! Halleluiah!
Every day I walk with You I feel You in my heart.
You give me strength when I am weak, my light when life gets dark.
Your power and Your glory are here forever and ever.
The kingdom gates are always open to all that want to enter.
Halleluiah! Halleluiah! Halleluiah! Halleluiah!
And I need You, I'm lost without You, I want You in my life.
And I love You and I worship You, I'll praise Your Holy name. You're my God.
When I am weak You make me strong, I know I can't go wrong.
I pray to You, I know You're always there, to keep me from all harm.
Your arms are always open wide to catch me when I fall.
I glorify Your Holy name, in Your name I give my all.
You pick me up when I'm down and lost, my soul You have set free.
You're always there to comfort me when I'm blind You help me see.
Your love is always present in everything I do.
Your blessings are abundant, my soul I give to You.
