

My name is Dee Anne Douville, lover of all things sparkling and frequent visitor of consignment and thrift stores. I have been the Administrative Assistant for First Christian Church, Selma for the past 4 years, and have worked for several churches over the years. I don't sing, act, or preach, but I love to dance. I love and care about people and love the Lord. I have been married to my Junior High School sweetheart, Bill Douville for 34 years. We have two daughters we are very proud of, Geneva Lee Anne, a Pharmacy Technician and Olivia Lynn Nell, a Surgical Technician. We also have one granddaughter, Julia Lee Anne who is 9 years old and loves dogs and horses. I have always been an animal lover and dogs were my first love. Bill has put up with many animals over the years including chickens, ducks, cockatiels. I am now down to one dog and Bill is very happy, but I have several grand puppies. I love the summer time and enjoy floating in the pool - reading a good book. I love working for First Christian Church, the members are so caring and giving of themselves and their time. They are a wonderful example of what Christian love is!
