

# INSTRUCTIONAL CONTINUITY PLAN

## NORLAND MIDDLE SCHOOL

### COMMUNICATION

General school communication will be delivered via our Social Media accounts. We also encourage you to follow MDCPS to keep current on district related information.

#### What is Distance Learning?

*It is a method of study in which course content, assignments and communication are held over the internet. Throughout the years, MDCPS has compiled a comprehensive collection of online content and digital resources to aide in distance learning so that students can continue their learning without interruption. During the time of our school closure, you should continue learning online by completing assignments and tasks as assigned by your teachers.*
