

Calumet County Youth Sports League

2019 Rules

Purpose: To promote the game of baseball and provide area youth with the opportunity to develop and learn the game through practice and games.

League Wide Rules:

1. Sportsmanship will be encouraged by players, coaches, and fans.
2. The league does not carry insurance.
3. Umpires are supplied by the home team; it is recommended that officials be qualified.
4. Games and scores will be updated by the coaches on Google Docs. This will be used to determine seeding for tournaments and to record innings pitched.
5. Players are expected to be properly equipped.
6. Players are expected to play for their community. If a player is going to change teams it should be done when they switch levels or players must sit out one year. Hardships can be argued to the league.
7. Preliminary roster must be submitted before the first game and final roster by June 1st. (maximum of 18 players). Roster must be added to Google Docs. If a roster is not submitted, the game can be played, but it will count as a forfeit. If there is an extenuating circumstance, players can be added, but it must be approved by the board before the next game. This will be done via e-mail and submitted to the league. Players can move up a level freely without league approval.
8. Disputes will be settled with an all-league vote and communities involved are excluded. Ties broken by the board.
9. One pitch is considered an inning. Once a pitcher is removed, they cannot return to pitch unless the game goes extra innings (1 inning maximum per pitcher) (Little League Only). Pony league pitchers removed cannot return. Anyone replaced in the lineup must sit for six outs before returning to the lineup. The player will bat in the same spot in the order.
10. A courtesy runner is allowed for the catcher and pitcher. A bench player should be used first or the last out if there is no bench player.
11. While running bases, any illegal contact will be determined by the umpire and safe or out call will be based on decision. If flagrant action is determined, the player could be ejected
12. Intentional walks will be allowed in Pony and Colt Leagues. Pitches do not need to be thrown.
13. Coaches get one mound visit per inning. If there is a second visit for the same pitcher they must be removed.

14. Teams bat either nine players or entire roster. Little League would be nine or entire roster and Pony League would be nine, 10 if using a DH, or entire roster. If a player leaves due to injury, an out will not be charged. If they leave for any other reason, that spot in the order will incur an out unless mutual agreement is decided by the coaches before the game.
15. If the team bats the entire roster, free substitution is allowed on defense. Pitching rules still apply.
16. A DH may be used for Pony and Colt Leagues
17. Balls can be any name brand, however they must be stamped Little League for Little League games and Babe Ruth for Pony League games.
18. Any player or coach ejected will sit a game (determined by innings for specific levels) based on when the ejection occurred
19. Umpires should be informed of league rules prior to each game
20. Season games will start the first week of May each year. League games will start the first week in June.
21. All games that are postponed will be made up in good faith and a timely manner
22. In determining final records, if teams have identical records, the team that has played all of their games will be considered to have a better record if another team has forfeit(s) in their record
23. If final records are unequal, and all games were attempted to be made up, winning percentage will determine the seed.
