

## WASTEWATER SUPERINTENDENT

Are you looking for a new and unique challenge? The Kremmling Sanitation District is seeking a full time Wastewater Superintendent and Operator in Responsible Charge (ORC) for a unique facility. We manage a 0.3 MGD lagoon system using Bio-Dome technology and operate a reclaimed water distribution system.

Responsibilities include management and daily operations of: wastewater collection system, lagoon treatment system, laboratory operations, budgeting and purchasing, lift stations, reclaimed water distribution system, field inspections and sewer locates. Must be physically capable to stand, bend, stoop, walk, lift, and carry up to 50 lbs.

**Certifications required:** HS diploma/GED or higher, Class 'B' wastewater operator (or able to obtain within 1 years of hire); Class 1 collection; Class 1 distribution; and a current CDL (or able to obtain within 6 months of hire). The salary range is \$72,000 to \$80,000 depending on certification level and experience. Excellent benefits package includes paid vacation and sick time; health, dental and life insurance; and a retirement plan.

**Application deadline:** May 16, 2022. The full job description and application form are available at: [www.townofkremmling.org/sanitation\\_district.html](http://www.townofkremmling.org/sanitation_district.html)

Send a completed application (found on our website), a brief resume and three references to Kremmling Sanitation District, PO Box 538, Kremmling, CO 80459.
