Company History

Over 30 years ago, my first car was a '63 Sprint convertible that needed a lot of work (and is still not finished). I started picking up extra parts for it as I found them. I soon started selling off the extra parts that I didn't need. In 1996, KP Automotive was created as a parts supplier specializing in '60-65 Ford Falcon parts. Originally dealing in used parts, we have been able to also offer the latest new and reproduction parts available.

We are a small company that has a lot of knowledge on '60-65 Ford Falcons. If you have a question about your Falcon, please give us a call or email us, and we will be happy to help you any way we can. This catalog provides you with the type of parts available; however, if you do not see what you need, give us a call or email us. We also offer a large selection of used parts, from sheet metal to engines.

Ordering

To place an order, you may send an email to kpauto@aol.com. Or you may call (215) 699-2456 (no later than 8:30 PM Eastern time, please). If we're not available to answer your call in person, an answering machine is set up for messages, so please leave a message and we'll call you back. We are a mail order business, but you may pick up your items if an appointment is made in advance.

Shipping

After payment is received, orders are shipped by UPS or Federal Express. Smaller orders may be shipped Parcel Post. All shipping charges include insurance and delivery confirmation.

Payment

The following are acceptable forms of payment: money order, certified check, and cashier's check. Personal checks are accepted, but the order may be delayed up to 10 days until the check clears. We also accept Visa and MasterCard through PayPal on the internet. The buyer pays shipping charges and any taxes that may apply. Six percent tax is charged for sales in Pennsylvania.

Warranty>Returns

We will warranty defective, new parts only. Electrical parts are non-returnable once installed. No warranty is available on any parts that have been modified. Installation labor or shipping charges are not refundable. The buyer is responsible for shipping costs on the returned parts. No returns are accepted after 30 days of delivery confirmation. Any returns must be in the original package and be presentable for resale. We reserve the right to charge a 15% restocking fee on certain items. KP Automotive Inc.'s liability is limited to the replacement of the product or refund of the purchase price.

Back-ordered Items

We will notify you of any backorders within two business days. Most backorders will arrive within 3 weeks. Carpets and door panels generally take 2-4 weeks for delivery.
