- Batteries for Your Flashlight
- Daypack - Backpack or Waist Pack
- Canteen/Water Jug/Water Bottle
- Gloves - Light to medium weight to protect your hands from the sun or to have on cool mornings
- Binoculars - optional - Fun to have for glassing game
- Personal Fishing Gear
- Duffels: We prefer that you bring two smaller duffel bags rather than one large duffel bag as they are easier for us to pack on the pack animals.
- Beverages: If you would like to bring your own pop, beer or alcoholic beverages to have in camp, you are more than welcome to!

## Fly Fishing Gear List

- 8-9 foot, 5 Weight Fly Rod- must break down into at least 2 pieces with hard case for packing on mules.
- Flies: can be purchased here in Cody. However, if you have a selection on hand we recommend:
- Wet: 6 - 12 size; various wooly buggers, prince nymphs, hairs ears, beaded, princes, stones and hairs work well, muddler minnows 8-10 size
- Dry: 6 - 10 size; hoppers, humpys, adams, royal coachmans, irresistibles, stimulators, parachutes all work well.
- Leaders: I'd pick up a dozen or so 9' 4 and 5x tapered leaders. I don't use tippet, but if you do, pick up a 4 lb test tippet or even use a 6 lb tippet.
