Standing so still in the deep winter's chill midst a prancing of fanciful snow  
Never has cold felt so beautifully bold as this warm hearted heavenly show

Snowflakes twirling swirling whirling  
Snowflakes dancing and prancing enhancing a fanciful breathtaking heavenly show.

*On with the Snow!*

Just hear those sleighbells jingleing ringting tingleing, too  
Come on it's lovely weather for a sleigh ride together with you  
Outside the snow is falling and friends are calling "You-hoo"  
Come on, it lovely weather for a sleigh ride together with you.  
Giddy- yap, giddy-yap, giddy-yap, let's go  
Let's look at the show  
We're riding in a wonderland of snow  
Giddy- yap, giddy-yap, giddy-yap, it's grand  
Just holding your hand  
We're gliding along with a song of winter wonderland.  
Sleigh bells ring are you list'nin?  
In the lane, snow is glist'nin'  
A beautiful sight, we're happy tonight  
Walkin' in a winter wonderland!  
In the meadow we can build a snowman  
Then pretend that he is Parson Brown.  
He's say, "Are you married?" We'll say, "No, Man!"  
But you can do the job when you're in town!"  
Oh the weather outside is frightful, but the fire is so delightful  
And since we've no place to go, Let it snow, let it snow, let it snow  
When we finally kiss goodnight, how I'll hate going out in the storm!  
But if you'll really hold me tight. All the way home I'll be warm  
The fire is slowly dying, and my dear, we're still goodbyeing,  
But as long as you love me so, Let it snow, Let it snow, Let it snow  
Our cheeks are nice and rosy and comfy cozy are we.

We're snuggled up together like two birds of a feather would be  
Let's take that road before us and sing a chorus or two.  
Come on, it's lovely weather for a sleigh ride together with you.  
lovely weather for a sleigh ride together with you.

*Winter Night*

A winter night, a winter chill, wind and cold are bitter still  
Snowdrift high and frost below, Icy lane and moon and shadow  
December night, December chill, wind and cold are bitter, still  
Child is born, the angels call  
Peace (on earth) goodwill to all  
In the purest white of snowfall  
A sign of hope comes quietly  
A rush of angel wings and voices beckon all to come and see (come and see)  
A winter night, a winter chill, wind and cold are bitter still  
Snowdrift high and frost below, Icy lane and moon and shadow  
December night, December chill, wind and cold are bitter, still  
Child is born, the angels call  
Peace (on earth) goodwill to all
