**Other Business:**

- ❖ Priscilla notified the Board that she had spoken with Debra Pierce, VTrans, and found out that if we start the process now for the permanent bridge to replace the temporary bridge on Hodgeman bridge, it will take about a year from start to finish. Priscilla asked the Board how they wanted to proceed. The Board agreed to go ahead and start the process.
- ❖ Priscilla spoke to the Board about a check that had been sent to us from the high school for reimbursement of school taxes. There is a question on whether or not it is for the right amount and what exactly the monies were for. Priscilla told the Board that until she is finished investigating this and hears back from the high school, she will not be depositing the check into the town account.
- ❖ Priscilla went over the paperwork she had for what has been done for FEMA so far. She also asked Calvin for his assistance in getting this paperwork finished. He agreed to do so.
- ❖ Priscilla presented a balance sheet to show actual current balances of the Town Funds.

- ❖ Pricilla & Christy spoke with the Board about forgiving the latest interest payment on a landowners taxes, due to the fact that these people had to go to the bank to get a loan to get caught up with their current tax bill, and the loan took 30 days to get from the last bill we had sent them. The Board decided to forgive the interest this one time due to the circumstance.
- ❖ Calvin updated the Board on McAllister road to let them know it was finally finished.
