

A. Persons Dance Legacy Covid-19 Studio Protocol

Studio

- Regular cleaning/disinfecting will be done between classes and to start/end each day.
- Classes/Camps will be capped at 10 dancers each.
- Hand sanitizer will be readily available and used.
- There will be one staff member helping dancers in/out of the studio following proper safety and hygiene protocol each day.
- No parents/siblings/family members will be allowed to enter the studio. At this time, we will only have staff members and dancers inside. Our lobby and other sitting areas are closed.
- Restrooms will only be available to dancers and staff members at this time.

Staff

- Temperature checks daily before entering the studio.
- Thoroughly washing hands often, especially upon entering/leaving studio, when touching “common surfaces”, etc.
- Strict cleaning and disinfecting of classrooms, restroom, and commonly touched/used surfaces before and after each class.
- No physical contact with dancers (hand holding, hugs, etc.)
- Any staff member who has potentially been exposed to someone with Covid-19 or is feeling ill will immediately report it to the studio and will stay home until their quarantine time is over or they are well and fever-free for at least 48 hours.

Dancers/Families

- Temperature checks will be made at the door before entering.
- Hand sanitizer will be used before entering and leaving studio.
- Dancers and staff ONLY allowed inside. Our lobby and seating areas will be closed.
- Each dancer MUST bring their own (labeled) water. We cannot provide cups or public use water at this time. (We will help remind dancers at the door to have their water and shoes with them to minimize issues.)
- If your dancer is feeling sick, please keep them home until they are well and symptom-free for 48 hours.
- If your dancer has been exposed to someone with Covid-19, please inform us accordingly. You will be permitted back at the studio after proper quarantine time is over.
