

Pre-Professional Programs:

Are you or your child ready to take the next step to see where the performing artist can take you? Are you thinking about having the ability to explore the arts in higher education or on a professional level? This is where you need to be.

- * Receive college/ professional preparation training.
 - * Gain professional experiences.
- * Receive one- on –one life planning from our Director.

To be considered for the “Pre-Professional Program” you must be 9 yrs or older, taking the required classes listed, and complete 8 hours of performing arts during the summer.
