

CLASSICAL GLASS CORVETTE CLUB

SPONSORSHIP REGISTRATION AND BENEFITS

On behalf of the Classical Glass Corvette Club (CGCC, a non-profit corporation) we would like you to consider being a corporate sponsor of our Cheyenne based Club.

Our Club is composed of great members from all over southeastern Wyoming. The Club was created to encourage planned trips, events and social activities for the Club members and families. The Club is composed of members with many different interests, from collecting pristine antiques to cool street machines.

Club sponsors are entitled to all the benefits of Club members, such as attending rallies, car shows, benefit drives, etc. Also, the Club will place sponsor advertising in the Club's monthly newsletters, membership flyers, brochures, and on the Club's multi-media accounts. This information is distributed to all member, sponsors, and potential members.

Sponsors will be able to promote their products and services at Club events where permitted by property owners without entry fee or sales percentages.

If you would like to be a corporate sponsor, please attach a business card or logo with this registration form and send to the address below. Yearly sponsorship is \$100.
