

Luis Navarro

entry
35

Profound and diverse, Luis Navarro is an experienced artist achieving numerous exhibitions successfully over his twenty-five year career. His cosmopolitan world reflects his varied interests and international background. He focuses on the nature of art, aiming to depict the emotions of life through a combination of mediums, utilizing dynamic colors, and diverse movements. His art has been displayed in numerous galleries, entertainment venues, and museums, including academic universities. His paintings have been known to astound art enthusiasts as they learn that his art is the work of one artist.

Luis Navarro is a graduate of the LA Art Academy in California. He started producing his works at a very young age and was inspired by his interactions with humanity, which promoted his desires to transform traditional art. His portfolio reveals an extensive range of art pieces that have been displayed in various establishments throughout California, New Mexico, Washington, Oregon, Nevada, Marshall Islands, and Germany.
