

## Safety/Health Policies: Effective 6/15/2020

### General Studio Policies For Illness

- Our general studio policy is to keep your dancer home until they are fever free for 48 hours
- If your child exhibits any of these symptoms: (1) fever 100.4 or higher (2) dry cough and (3) shortness of breath, keep them home
- Your child must be on antibiotic for 48 hours after a bacterial infection before attending class
- If your child has vomited or had diarrhea, they may not attend dance class until they are symptom free for 48 hours

### Arrival/Dismissal

- TDL office, dressing room, kitchen, and The Den will be closed to all parents and siblings. Dancers are only permitted in The Loft area. If, for some reason you need to be in our office, you must wear a mask for the duration of the time spent upstairs. Please email us to let us know if you plan to be upstairs at [info@thedanceloftil.com](mailto:info@thedanceloftil.com)
- To insure proper social distancing, dancers will not be permitted to enter the studio until 5 minutes before class time begins. We ask that you please wait in your car until your scheduled class time
- Dancers will need to be dressed and ready to dance prior to arriving to the studio. No changing dance attire in-between class. **Please wear solid colored dance attire for all classes. Ballet classes can go barelegged for summer session**
- Please be on time for pick-up. It is imperative we stick to assigned schedules to insure proper social distancing
- Upon entering The Loft room, each dancer's temperature will be taken with a touchless thermometer and shoes will be removed
- After shoe removal, please use the touchless hand sanitizer provided at the entrance to The Loft room
- We will dismiss each dancer one at a time. If applicable, please text your dancer to let them know you have arrived. If your dancer does not have a

cell phone, please email us. We will escort each dancer to their parent at the bottom of the stairs

### **Once Inside The Loft**

- The Studio has been marked for proper social distancing including dance bag stations inside The Loft room
- Dance bags will be brought into The Loft room during class along with their cell phone. Cell phones should be set to silent and tucked away in the dancer's bag during class
- Dancers should bring their own labeled water bottle which will be kept at their dance bag station. TDL will no longer be providing cups of any kind
- While TDL has installed touchless hand sanitizer stations and touchless soap dispensers, dancers are asked to please carry their own hand sanitizer in their bags for use as needed throughout their class time and during shoe changes
- There will be no hand touching such as holding hands, partnering with hands, high fives etc...

**TDL will be cleaning/disinfecting the studio in between classes including floors, door knobs, ballet barres, counter tops etc. Touchless hand sanitizer stations and touchless soap dispensers have also been installed and put into place. All hard surface and hand sanitizers have been stamped and approved by the CDC.**
