

Completing the Civil Marriage Certificate

We have prepared these guidelines to assist you in completing the OFFICIANT section of the *Vermont Certificate of Civil Marriage* (items 18a-g). On this page, there are step-by-step instructions for filling out each item. On the back page, there is a checklist. If you have questions or would like additional copies of these guidelines, contact the Vital Records Unit of the Vermont Department of Health, or any Town Clerk.

Please type or use black ink.

This will increase the chances that readable copies can be made from the certificate for the next 100 years.
