

# IRISH HONEY ALE

A traditional pale ale with an Irish Twist. Deep golden appearance. Brewed with Honey Malt for color, Oats for a modest mouthful, and local farm produced honey which provides honey overtones, but not overly sweet. Irish ale yeast add complexity and a pleasing hop profile on the back end that lingers slightly.

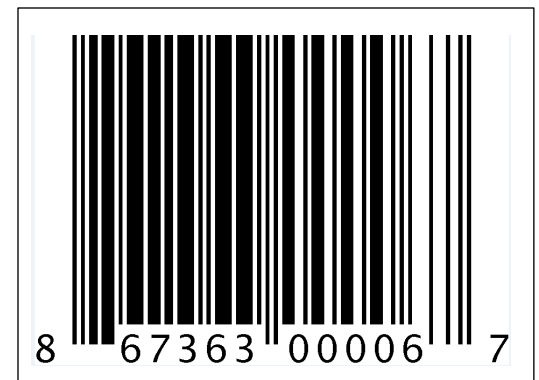

Our honey is source from our farm and other local Apiarist. Five gallons of fresh honey is added per 30 barrels of product.
