

This use of neuro-weaponry is said to be an extension of MKULTRA, and all these related illegal, nonconsensual, no legitimate oversight "experiments" of the military and CIA from decades ago - they included injecting Blacks with syphilis, LSD and many, many other drug, chemical, and/or biologic assaults on unsuspecting people in America, and other locations in the World. Many of them are listed

here: <http://www.abovetopsecret.com/forum/thread59987/pg1#pid626088> These types of programs were supposed to have stopped after the Church Committee hearings decades ago - but have not. Use and study of the brain goes back decades - with people being targeted with neuro weapons for at least 20-30 years.
