

UNITY TRANSFER STATION RECYCLING INFORMATION

Mica Mine Road ♦ Unity New Hampshire 03603

RECYCLING GUIDELINES FOR UNITY RESIDENTS

The materials listed in this flyer are FREE at the Unity Transfer Station.

Fees apply to unrecycleables: household trash, building debris, bulky furniture, electronics, freon containing appliances, tires, etc. (See separate Pay As You Throw Brochure for FEE schedule).

Recycling is FREE ♦ Recycling SAVES you money

You can reduce your disposal costs by:

- Recycling as much as possible
- Composting kitchen scraps and yard waste
- Purchasing goods in recyclable packaging

ALL recyclable containers must be rinsed clean. Transfer Station Attendants reserve the right not to accept dirty containers for recycling.

PLASTICS

This includes: ALL PLASTIC & FOOD & BEVERAGE CONTAINERS

Unacceptable Plastic Materials:

Plastic bags, toys, paint cans, pesticide, pool chemicals or other hazardous material containers.

GLASS

Food and beverage containers

Unacceptable Glass Materials:

Headlights, incandescent light bulbs, thermometers (see Mercury containing materials), automotive and windshield glass.

ALUMINUM

Bring into the Recycling Building

Sort aluminum into 3 categories:

1. Beer, soda and juice cans
2. Foil, baking pans and pet food cans go in with tin cans.
3. Heavy pots and pans, siding, window frames, etc.

TIN CANS

This includes empty paint and aerosol cans, aluminum foil, baking pans and pet food cans. Bring into the Recycling Building.

REDEEMABLE/RETURNABLE CONTAINERS

Beer, carbonated drink containers, (aluminum, plastic and glass) that are returnable in Vermont may be separated. Put into Recycling Building.

MIXED PAPER

Newspaper, magazines, junk mail, office paper, cereal boxes and paper bags.
NO Corrugated cardboard, feed bags, wrapping paper, napkins, paperplates or books.

CARDBOARD

Ex: Corrugated cardboard.

INK CARTRIGES & CELL PHONES

We collect ink cartridges and cell phones for recycling. (See Attendant for placement)

WASTE OIL

Waste Oil from non-commercial sources only: engine oil, transmission oil, brake fluid.

The waste oil is used to heat the Recycling Center. We also collect oil filters and oil containers (See Attendant for placement).

AUTOMOTIVE BATTERIES (LEAD/ACID)

See Attendant for storage, outside the building.

BATTERIES (DRY CELL)

We collect all types of rechargeable batteries (See Attendant for placement). Non-rechargeable batteries no longer contain mercury and can go into the trash.

SCRAP METAL

Washers, dryers, stoves, sheet metal, bed springs, hibachis, lawn mowers, nuts, bolts, wrenches, etc are collected for recycling. Please separate copper (See Attendant for placement).

PUT AND TAKE

Items too good to throw away may be left for other people who have a use for them. Please see attendant before leaving any electronic devices.

PAINT

Latex paint is considered non-hazardous. If you can't use it up or give it away, you can dry it out and include it with your household trash. Mix with kitty litter, sawdust or shredded paper and allow to dry in a well ventilated area.

Remember: Oil paint must be taken to the Annual Household Hazardous Waste Collection.

FLUORESCENT BULBS

Fluorescent bulbs (including compact fluorescent) contain mercury powder and MUST not be broken or go into the trash. We collect them for recycling. (See Attendant for storage).

HOUSEHOLD HAZARDOUS WASTE

Household cleaners, polishes, hobby chemicals, pesticides, pool chemicals, oil-based paints, solvents, varnishes, stains, etc. should be taken to the Annual Household Hazardous Waste Collection.

Watch for an announcement of dates and location.

MERCURY CONTAINING MATERIALS

As of 1/1/08, the improper disposal of products containing mercury is prohibited by State Law. We collect thermostats, thermometers, fluorescent bulbs for recycling.

UNITY TRANSFER STATION

Hours: Wednesday: 1:00 - 5:00 pm
Saturday: 8:00 am - 4:00 pm

Tel: 603-543-1072

UNITY TRANSFER STATION is available for Unity Residence ONLY and must provide Attendant with an up-to-date TRANSFER STATION / RECYCLING PERMIT STICKER affixed to the VEHICLE. Transfer Station / Recycling Permit Stickers are FREE and are available at the Town Office Tue. and Wed. 9 to 5 and Thurs. until noon.

REMEMBER: The Attendants are always willing to answer any questions or give you a hand with heavy items.
