MINUTE ENTRY

The court has reviewed and considered the Estate's Motion for Reconsideration of Petition No. 13.

Petition No. 13 was a Petition requesting approval to engage special counsel to represent the Receiver with respect to ERISA and related litigation issues. The court considered the objection and entered the Order. No hearing was required pursuant to the Order Governing the Administration of the Receivership. Paragraph 4(a) of the Order permits the Receiver to seek "authority to engage outside professionals to perform services for the Receiver, including outside counsel to present the Receiver in pending or contemplated litigation" without a hearing.

IT IS ORDERED denying the Motion for Reconsideration of Petition No. 13.
