

REVAMP

MAKE YOUR WARDROBE WORK FOR YOU

March 2010

Dear Revamp Clients and Friends,

The SF Chronicle is writing about shopping your closet this spring and featured REVAMP on the cover of the Styles section this past Sunday!!! Here is the link to the article on [SFGate.com](http://www.sfgate.com).

With layering still fashion friendly, San Francisco is the perfect climate to get the most out of your wardrobe no matter what season it is. Denim is still in, skinny jeans are being shown with boots, heels, flats, you name it. Boot cut jeans are also as popular as ever. As far as color, neutral is hot and is everywhere which is an easy and helpful addition to most wardrobes. I hope as you refresh and reorganize this spring you will think of *Revamping*, to make the most of what you already own.

Happy refreshing spring,

Beth
