Dear Christian Friends and Supporters:

We would like to take this opportunity to thank all of you for our prayers and your financial support of Alabama Prison Ministries Inc. and Liberty Theological Seminaries International. We have faced many challenges but the Lord has been faithful to continue to provide and bless our ministry efforts.

These two ministries have formed a partnership in order to accomplish the following purposes in the Alabama Criminal Justice System. The purposes are our mandates from the Lord in order to carry out the Great Commission in the places where the Lord opens the doors and sends us. The purposes are listed as follows:

Prayer/ Evangelism
Christian Education / Discipleship
Reentry

Section I: Prayer

We instruct young Christians in the importance of personal prayer in a class called Principles of Prayer.

We also have the same emphasis concerning intercessory prayer. The class is called Principles of Intercession and the students attend both the class and one or more of the four prayer meetings each week.

Section II: Evangelism

In the area of Evangelism we do our best to follow the leading of the Holy Spirit to create opportunities in our services for individuals to be Converted, Baptized in water, Baptized in the Holy Spirit, experience Deliverance, and experience Divine Healing through anointed Preaching and Teaching.

Section III: Christian Education & Discipleship

In obedience to The Great Commission of our Lord Jesus Christ we offer intensive Christian Education /Discipleship in a format provided through various Christian Curriculums under the banner of Liberty Theological Seminaries International.
