THE VISION of NDC is to be the critical factor in the success of every diver in the State of Nebraska.

OUR MISSION is for every diver to reach their maximum potential through a combination of effective coaching, inspired effort, and supportive family culture.

NDC strives to provide instruction for young athletes to learn to dive to the best of their ability through the use of strength and conditioning activities and training on diving boards and platforms. Our program is designed to teach the art of diving while incorporating time management, goal setting, self-discipline and team building skills in the safest possible environment.

On the following pages you will find the following information:

General Club Information

NDC Programs and Fee Structure

Registration/Release Form (**to be signed and returned**)

Code of Conduct (**to be signed and returned with Registration**)

Travel Team Code of Conduct (**to be signed and returned with Registration**)

Participant Waiver/Emergency Medical Form (**to be signed and returned with Registration**)

DIVING AFFILIATIONS

There are two national diving affiliations which sanction diving meets, USA Diving and the Amateur Athletic Union (AAU). Membership with USA Diving is required for a diver to practice with NDC and compete in most meets. There may be meets which require your diver to also be a member of AAU.

NDC uses an on-line service (divemeets.com) which electronically manages live competitions and provides a detailed history of your diver's past competitions, as well as being able to look up other divers' past competitions, throughout the country. Most registrations for the meets we will attend will be registered through divemeets.com. Details on joining and using this software program will be provided by the coaching staff and/or Parent Representatives.

DIVING LEVELS

Our program consists of four levels:

Learn-To-Dive

High School Prep (HSP)

Jr. Elite

Junior Olympic Squad (JOS)

Learn to Dive (LtoD): The Learn-To-Dive program is structured to develop physical skills and to teach basic diving technique. Learn to Dive is a month-to-month program with no long-term commitment.

High School Prep (HSP): This program is for divers, of any age, who are preparing for high school diving and choose to train, during various times of the year, such as during the high school diving season or during the summer months, but choose not to participate in the year-round program. High School Prep is a month-to-month program with no long-term commitment.

Junior Elite (JRE): This program is for divers who have demonstrated satisfactory achievement of physical skills and the proper training attitude at the Learn to Dive level. Junior Elite divers are encouraged to participate in competitions in Novice level competitions and may be eligible, based on skill level, to compete at the Junior Olympic (JO) level. Advancement to the Junior Elite level will occur at the invitation of the coaching staff. **Membership on Jr. Elite team requires a year-around commitment, both to training and financially.**

Junior Olympic Squad (JOS): This program is for divers who have demonstrated a commitment to competing at regional, national, and international meets and have demonstrated success at national level competition. Advancement to the Junior Olympic Squad level will occur at the invitation of the coaching staff. **Membership on the Junior Olympic Squad requires a year-around commitment, both to training and financially.**

Training schedules, monthly fees, and Annual Membership Fees are specific to each level.

The coaching staff will communicate with parents regarding the level at which your athlete will train, based upon your child's skill levels, training attitude, and commitment to the sport. If a diver continually fails to complete practices (does not attempt dives they are able/asked to do, does not follow coaches' instructions, or does not demonstrate respect for coaches, etc.) that diver may be asked to return to a prior level, in order to work on and reestablish basic skills, before being allowed to return to the higher level on the team. If this situation arises, coaches will communicate their concerns with the diver's parents.

We believe that being a member of the Nebraska Diving Club program is a privilege. We provide the following information to assist you and your child in reaching their highest possible potential with our club. Club membership, placement, and grouping are at the sole discretion of the coaching staff. The coaching staff has the full discretion to accept or reject the application of any athlete for membership.

TRAINING SESSIONS

Training is the most important facet of the Nebraska Diving Club program. Competition is the ultimate assessment of a diver's progress and an emphasis is rightfully placed on success at competitions, however, it is at practice is where the diver's values, potential, and foundation for success is established. Our program is available year-round and all club members are expected to train on days and times, as

agreed to between the coaches and parents. Divers may be able to participate in additional training sessions, at the discretion of the coaching staff. Periodic changes to the agreed-upon schedule may be pre-arranged with the coaching staff.

Please try to attend every training session from beginning to end. Tardiness, early dismissal, and absences can be disruptive to the other athletes. If your child is unable to attend practice due to illness or other reasons, please contact us, if possible, prior to the scheduled practice.

There are times when the Head Coach may be away at diving competitions. Those divers who are not participating in the competition will continue to train with other NDC coaches. If there is not another coach available, practice will not be held. There may be occasions when there are changes in the pre-determined training schedule. We will communicate those changes as far in advance as possible.

There may be changes to the schedule during holidays and these changes will be communicated, as far in advance as possible. We will make every effort to makeup for missed or canceled practice sessions, but this may not always be possible.

Support your coaching staff, teammates, and the NDC program. Working together for the benefit of all is an important part of team spirit. Keep these things in mind for every practice:

- Athletes must give coaches their full attention, follow directions, be safe, and be prepared to dive when it is their turn.
- Athletes must be respectful to the coaching staff and teammates.
- The coach has a responsibility to discipline/re-direct a diver while at practice, but primary discipline remains with the parents. Ongoing behavioral concerns will be communicated with a diver's parent.
- There has NEVER been a diver that has not "smacked" or "crashed" while diving. It is an unfortunate part of our beautiful sport. Refusing to try dives or skills is unacceptable. Our coaching staff will not ask a diver to attempt a dive or skill that is beyond their ability.
- Please make sure your athlete brings the following to each training session:
 - A positive, team-oriented attitude
 - Must wear shorts and t-shirt during dryland
 - Shoes and socks
 - Swimsuit – worn to practice
 - Towel
 - Water Bottle (inexpensive one please – they get left behind/lost easily)
- Younger divers must come to practice with their suits on and having used the restroom.
Coaching staff cannot help young divers change clothes or escort them to the restroom during practice time.
- Younger divers must have a parent/guardian available for pick up at the end of practice. Coaching staff cannot supervise divers before or after practice times.

COMMUNICATION

Parents who wish to watch their children during training sessions will need to sit in the main grandstand on the south side of the pool. Our intention is to provide the best possible training and learning environment. Experience has proven that divers and coaches focus better on practice if the deck area remains clear of spectators.

Parents are asked to refrain from talking to the coaches or divers during the training sessions, due to safety concerns and so as not to interrupt practice. Parent/coach conferences are welcome and can be arranged in advance, by appointment. If a parent or athlete has any questions about the Club, please contact any of the coaches and we will be certain to get your questions answered as soon as possible.

The primary contact for the coaching staff is Landon Marzullo. E-mail/text correspondence with Landon is preferred over phone calls. E-mail correspondence can be used to discuss concerns, ask questions, or to arrange for a meeting with Landon, if needed. Please make sure your e-mail address is on the Registration/ Release form. Landon's email address is lmorzullo@huskers.com. Phone is 614-537-0929.

VOLUNTEERING

The Nebraska Diving Club staff and parents work together to make Intrasquads, meets, get-togethers, and fundraising activities successful throughout the year. Parents and divers are asked to participate in planned activities in order to promote team unity and give NDC members an opportunity to get to know one another.

COMPETITIONS AND INTRASQUADS/SKILLS CHALLENGES

Tentative Meet Schedule for Jr. Elite and Junior Olympic Squad – 2023-2024

(Tentative location) Region 8 Championships – Brown Deer, Wisconsin – April 27-April 28, 2024

Zone D Championships – Madison, Wisconsin (University of Wisconsin) – June 27- June 30, 2024

USA Diving Junior Nationals – Morgantown, West Virginia – July 29-August 07, 2024

We will also plan Intrasquad Meets and/or Skills Challenges for all teams (Learn to Dive, High School Prep, Junior Elite Team, JOS Team as possible, depending on scheduling and availability of the Devaney pool.

NEBRASKA DIVING CLUB

Nebraska Diving Club athletes are required to abide by the Practice Policies and Behavior Expectations, Rules and Regulations, and Travel Team Code of Conduct. The following documents must be signed by a parent and athlete as a condition of program participation.

PRACTICE POLICIES & BEHAVIORAL EXPECTATIONS/RULES AND REGULATIONS

All scheduled practices/meets must be attended unless arrangements are made in advance with the coaching staff. A member of the Nebraska Diving Club team may not participate in any training session or competition without the prior approval of the Head Coach.

Profanity and/or derogatory remarks during training and/or at competitions are not permitted. Use of unacceptable language will result in immediate dismissal from that day's training or competition. Repeated use will result in suspension or dismissal from the team.

Use of alcoholic beverages or any drugs, in the training or competition environments (other than those prescribed by physician or approved by a parent/coach) is not permitted and will result in suspension or dismissal from the team.

The coaching staff selects team suits and warm-up apparel with family economics in mind. All divers participating in diving competitions are required to wear team apparel to local and away meets, as well as at opening ceremonies and during award presentations.

Club membership can be terminated at the discretion of the coaches for:

- Failure of divers or parents to support Nebraska Diving Club in a positive manner
- Failure to pay coaching fees and/or other required fees
- Failure to follow any portion of this Membership Agreement
- Actions considered by the staff to be detrimental to the club
- Continual lack of attendance at training sessions
- Continual failure by an athlete to complete practice sessions as instructed by the coach

TRAVEL TEAM CODE OF CONDUCT

The purpose of this Travel Team Code of Conduct is to promote the best individual and team performance, assure your child's safety and well-being, and to promote a favorable image of the Nebraska Diving Club as ambassadors of our sport.

The coaching staff will provide advance meet schedule information. Using that information, parents must arrange for their diver to be at the meet site at the scheduled time for practices and competitions.

Parents and/or divers are responsible for completing their diver's entry forms and paying meet fees. Coaching staff will answer questions with regard to completing entry forms or signing up for meets. We understand it is not always possible for parents to accompany their athlete while traveling. Each diver must be accompanied by a responsible adult and club members are encouraged to make arrangements with other club parents to act as guardian for their child. At competitions requiring overnight lodging, club athletes are required to stay with a parent or an adult accepting responsibility for the diver. The arrangement and cost of transportation, meals, and lodging are the sole responsibility of the parent or guardian of the diver.

The coaching staff is responsible for club divers only while they are coaching on the pool deck. Additional rules may be provided by the coaching staff for certain meets.

OFF-SITE TRAINING

There may be occasions when the coaching staff invites individual divers to attend an off-site training with supervision only by coaching staff. These opportunities are designed to enhance the performance and skills of divers of various levels or age groups. Divers and their parents will accept all responsibilities associated with these opportunities and understand that the diver's behavior reflects the standards of conduct of the Nebraska Diving Club. Curfews will be established for each trip by the coaching staff and divers must be in their assigned room at the designated curfew time. No one except the assigned roommates will be allowed in the room after curfew time. Indiscreet, destructive, disrespectful or other behavior considered to be detrimental to the Club will not be tolerated.

Violations of the Code of Conduct may result in one or all of the following:

- The diver may be withdrawn from the competition or off-site training.
- The diver may be sent home at his/her expense.
- The diver may lose all club privileges, including travel to future away meets.
- The diver may be placed on probation, suspended from the club, or dismissed for a period of time depending on the severity of the club rule infraction.

PARENTS/GUARDIANS: We request you take the time to review the Code of Conduct with your athlete and to fully explain the responsibilities associated with the privilege of overnight travel. Traveling and competing with your teammates can be a wonderful experience. These rules are in place to ensure that trips are safe, successful and enjoyable for everyone.

WE HAVE READ AND UNDERSTAND THE ABOVE CLUB POLICIES AND BEHAVIOR REQUIREMENTS, RULES AND REGULATIONS, AS WELL AS THE CODE OF CONDUCT AND AGREE TO ABIDE BY THESE POLICIES.

Parent/Guardian Signature _____ Date _____

Athlete Signature _____ Date _____

MEMBERSHIP AGREEMENT

This agreement shall be in effect from the date signed through August 31st the following year. Those applying for and signing this Membership Agreement agree to be bound by the rules and regulations, fee schedules, and late charges in effect or as amended, for the term of this agreement.

Monthly coaching fees are due on the **1st of each month**. We ask that payment is made on time in that it is very difficult to keep track of payments that come in several weeks late or are “doubled up” from the previous month. Please have your diver bring payment or Venmo payment, on or before, the 1st of each month. If paying by Venmo, there is a service fee charged to Landon. The Venmo fee for Learn to Dive and High School Prep is \$5.00 per charge and for Jr. Elite and JOS Team the fee is \$7.00 per charge. Please note: this fee is *per charge* that you are paying, not per transaction, so, for example, if you are paying for two months or for two divers, the Venmo fee is doubled. Monthly payments not received by the 5th of the month will be subject to a late fee of \$10.00 which will be added on the 6th day of the month. Any athlete whose monthly training fee is 10 or more days delinquent may not be permitted to train or compete.

JSO Divers: *Monthly coaching fees are based on an annual amount.* Fees are not pro-rated and no credit will be issued if a diver misses a practice session or if the coaching staff schedules a break in the training schedule. Your position as a JSO member will be reserved as long as you are current with your fees. In the event that coaching fees are not received, your spot will be made available to other divers. This policy will be enforced except in the event of a prolonged illness or injury, which will be addressed on an individual basis.

ANNUAL CLUB MEMBERSHIP FEE

An Annual Club Membership Fee is due from each club member by January 1st of each year. This fee will be paid upon joining, (or re-joining) the club any time during the year. Those divers who join the club mid-year will pay their Club Membership Fee, at the time of joining, and will pay the Annual Membership Fee on January 1st, upon re-signing the contract. The Membership Fee covers NDC administrative costs for the year.

COACHING TRAVEL EXPENSES FOR AWAY MEETS

Travel expenses for the coach at away meets are as follows:

Within five hours (driving) - \$75.00/per diver

Over five hours (driving) - \$100.00/per diver

Any monies not used by the coach, at any given meet, will go into a “meet fund” for use when there are meets requiring extensive travel and multiple nights away from home (i.e. Nationals). Money from the “meet fund” may be used, at the Head Coach’s discretion, to help offset more costly meets.

NDC COACHING FEES

Monthly coaching fees are due on the 1st day of each month. The Annual Club Membership Fee is due by January 1st of each year.

Jr. Elite and JSO divers are required to commit to year-round training, competition, and financial obligation.

Learn to Dive and High School Prep fees are based on *four or eight practices per month*. There are several months, in any given year, where there is an “extra” one or even two practice days in a month. We do not charge for the “extra” practices, however if practice is cancelled due to weather or holidays these extra practice days will be considered to be “makeups” for missed practices during the year.

Monthly Fee Structure: January 01, 2024 –December 31, 2024

Learn-to-Dive - 75-minute training sessions		
Monthly Training Fee:	1 time per week	\$75.00
	2 times per week	\$100.00
LtoDive Plus: (by invitation)	2 times per week plus 30 minutes per practice	\$140.00
Annual Club Membership Fee:		\$50.00

Junior Elite - 2-hour training sessions		
Monthly Training Fee:	4 times per week	\$225.00
Jr. Elite Plus: (by invitation)	4 times per week, plus 30 minutes on Tues/Thurs	\$260.00
Annual Club Membership Fee:		\$100.00

High School Prep - 2-hour training sessions		
Monthly Training Fee:	2 times per week	\$175.00
	3 to 4 times per week (not available at this time)	\$225.00
Annual Club Membership Fee:		\$75.00

Junior Olympic Squad: - 3-hour training sessions		
Monthly Training Fee:	Minimum of 5 days per week (Includes tramp/belt spotting sessions & conditioning)	\$400.00
Annual Club Membership Fee:		\$175.00

Weight Training: JOS divers are required to participate in weight training/conditioning sessions as scheduled during regular practice times.

Additional Belt Spotting – 15-minute sessions are available and can be arranged @ \$25.00 per session.

Private lessons are available as pre-arranged with the coaching staff at the rate of \$50.00 for one hour. The fee for semi-private lessons (2 divers) is \$30.00 per diver for one hour.

REGISTRATION FORM/RELEASE AND WAVIER FORM

We, the parents/legal guardians of _____ hereby give our permission for him/her to participate in the Nebraska Diving Club. We agree to release and forever discharge the Nebraska Diving Club, Bob Devaney Sports Center, its officers and employees from any and all liabilities, demands of claims for loss or damage resulting from any injury or damage which may be sustained on account of his/her participate in this program or use of the facilities involved. We understand that the coaches are to have full control of all practice sessions as well as all competitions, and any complaints should be directed first to the coaches.

The Nebraska Diving Club offers classes and programs on a limited basis. There are certain risks inherent in the use of equipment and/or participation in certain programs, which you should consider before you begin such activities. As a participant in these classes and programs, the undersigned on behalf of our minor dependents and us (collectively, "our") understand that participation can involve physical activity which could result in injury. The undersigned also understand that use of the facilities is exclusively limited to the area(s) in which the class or program is conducted and that use will be strictly under staff supervision. For, and in condition of the Nebraska Diving Club sponsoring these classes and programs, and the Bob Devaney Sports Center allowing use of its facilities for this program, and with the understanding of the risks involved in our participation, the undersigned on behalf of ourselves, our dependents and heir agree to release and forever discharge the Nebraska Diving Club, University of Nebraska's Board of Regents, and the Bob Devaney Sports Center, their officers, directors, employees and contractors and agents from any and all liabilities, demands or claim for loss or damage resulting from an injury or damage which may be sustained on account of participation in these classes or programs, or use of facilities.
