A note from the Mayor's desk

Thomas Cox
Mayor

It has been a pretty uneventful summer here in the Village. Our new Maintenance Supervisor, Justin Coats is doing a great job settling in. The sidewalks on Rosencrans St have been replaced and a new sluice pipe has been installed on Mill Street.

I have received numerous complaints regarding UTV's and golf carts recklessly driving on Village Streets. For the safety of the public, these vehicles should only be operated by adults. I wanted to also remind you that there is a curfew in the Village prohibiting juveniles under the age of 16 being out after 10:00 pm without an adult.

The fall foliage festival is October 7th and 8th, the theme is "A Farmer's Harvest". Be sure to come on out and enjoy your Fall Foliage Festival and as always have a safe and happy holiday season.

A NOTE FROM THE FIRE CHIEF:

Please make sure you have working Carbon Monoxide detectors and clean your furnace and chimneys before winter use.

Fire prevention week is October 8 – October 14.

There is a "fund drive" letter going out asking for donations to go towards a much needed kitchen remodel for the fire hall. Thank you for your support.

NYS MOTOR VEHICLE

REGULATION

Chuck Cagle

Village of Cohocton Codes Officer

As a friendly reminder, and I'm sure the Fire Department will agree: Please keep your smoke alarm batteries fresh and change your furnace filters.

Remember: Change your clocks, change your smoke alarm batteries. Also: be sure to keep all your holiday decorations flame retardant whenever possible. If you use a real Christmas tree, keep it watered and watch for overheating lights and other decorations.

Doing any interior work on your home to remodel for the holidays? Please contact our Code Officer as many projects *do* require a building permit.
