Hayfield Farm Swim Club

Fall is here!

Thanks for a great season!

Vote for HFSC Board

All shareholders are invited to vote for candidates to the HFSC Board. Board members are elected to serve a two year term. You can vote online or with a hard copy ballot that may be turned in at the HFSC Annual Meeting on October 20th. Electing members is one of the many ways our shareholders participate in keeping our pool in prime condition and our

Annual Meeting Oct 20th

Our HFSC Annual Meeting will take place on Thursday, October 20th at 7:30 pm in the Hayfield Elementary Cafeteria.

All shareholders are invited to attend. .

Vote for your HFSC Board

2016 Financial Report

For the 2016 financial year, which ended on September 30th, the pool reported a total operating income of \$318,067.95 (which reflects a \$45,000 transfer from the investment fund early in the year) and total expenses of \$304,501.60 (which reflects a late-year transfer of \$6,000 to the investment fund). The expenses included \$60,691.47 on improvements and upgrades such as a new white coat and underwater lights for the main pool, and WiFi throughout the property. The table below shows the 2016 income and expenses as well as the closing balances for the pool's checking account and investment fund.

Oct. 1, 2015 – Sept. 30, 2016	
Income	\$318,067.95
Expenses	\$304,501.60
Closing Balance	
BB&T checking account	\$51,624.19
Blackrock multi-asset income fund	\$40,582.80

Keep on Driving Safely

Even though the pool is closed, please remember to drive slowly through the Hayfield Farm community. The speed limit in Hayfield Farm is 25 MPH. Thank you for your consideration to our friends and neighbors!

Attention Dog Walkers

Please clean up after your pets, especially on the lawn in front of the pool and the area at the end of Hayfield Road behind the barricade. It is county law to clean up after your pets!

Get your news by EMAIL!

Thank you for allowing us to communicate with you by e-mail. We are up to 404 memberships receiving their information by e-mail. Please make sure you keep your email address CURRENT by sending updates to info@hayfieldpool.com, or by filling out the online form on the website.

Good Guards Needed

We are always looking for enthusiastic, hardworking, certified lifeguards. If your son or daughter would like to work at HFSC, please keep an eye on the website and your email inbox beginning in January.

Operations

We had some returning staff and many new faces in the guardhouse and in the guard chairs this season. Jamie Potts led our team during her first year as manager, supported by Alex Kiszka and Andrew Ryan.

Our managers and guards worked hard to keep our pool safe and clean and our members satisfied. Swim lessons, open swim in the dive well, and raft nights were all big hits.

Our team is happy to see so many folks enjoying the pool and learning how to be safe in the water.

-Tom Ryan, Operations Chair

Membership

Membership and our lease list continue to thrive in our area. Our waiting list of families who want to become members of our pool continues to have about a 4 year wait, with 69 families on it. We sold/transferred 9 shares this year. Of our 425 pool shares, 139 shares were leased this season and we sold 18 additional Late Summer Passes.

Our keytag check-in system continues to help management account for pool attendance. Please keep your keytags to use next summer. If you paid your dues in 2016 and haven't been issued a keytag or have lost it, please email the Membership Chairperson at info@hayfieldpool.com to arrange for one to be prepared for you.

PLEASE NOTE: It is important that you update your e-mail addresses and other contact information when there are changes to your account. You may do that by using the website to send an update to our e-mail account, or send an e-mail directly to info@hayfieldpool.com.

-Elke McLaren, Membership Chair

Swim and Dive Teams Update

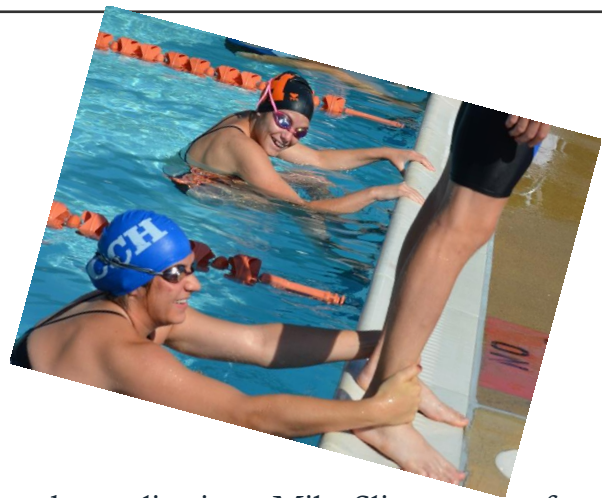

The Hayfield Seahawks Swim and Dive teams had another great season!

Our amazing crew of coaches brought on the fun times! Each week the number of kids who put up "best times" increased as we saw all of our Seahawks (including our awesome Minihawks) grow into stronger swimmers. The kids had a great summer and several Hayfield Farm team records fell. Our team grew quite a bit this summer and we can't wait for the 2017 season.

Our dive team did very well and had tough competition and some very close meets. All of the kids practiced hard, learned new dives and had a great time. We had a whole new crop of young divers to make one of the biggest teams we have had in years.

Our team went digital this year and is now using the Swimtopia program for registration and meet tracking! Thank you to Len Farrell for her time and dedication as a Team Rep, and Welcome to Matt Murray who will join Clint Pearson for the 2017 Season.

Lastly, NCAP Swim Club again offered a full swim scholarship to a member of the Hayfield Farm team and after reviewing some very

worthy applications, Mika Sliteras, one of our enthusiastic 13-14 swimmers was selected to receive the Jim King Memorial Scholarship. We were happy to be able to award this scholarship in memory of Jim King.

If your child is interested in participating in our spring swim or dive program at Lee District (Sundays Jan – May) please contact hayfieldswim@gmail.com

-Kim Wilson, Swim & Dive Chair

Facilities and Maintenance

Important maintenance and safety issues were addressed during the past year:

1. Last Fall (November 2015) after the pool was closed, a new white coat was applied.
2. This Spring (April 2016) new in pool LED lights were installed.
3. Skimmer pads replaced (April 2016)
4. Powered Roof Vent for lower shed (July 2016)

Improvements:

1. Thanks to an Eagle Scout project, the volleyball court was replenished with 20 tons of sand.
2. WIFI access
3. Stainless Steel Refrigerator for the snack bar
4. Flat screen TV for snack bar

Future work that needs to be addressed includes ³snack bar counter tops and cabinet replacement.

Nominees for the 2016 Board

Mark Burnell: I have been the pool maintenance board member for 4 years. I'm a longtime DIY'r. As Facilities Chair, my accomplishments include: re-graveling of parking lot, video security system upgrade, replacement and installation of water fountain, having power installed at storage shed, stripping and painting of diving board stand, replacement of water meter in pump room, re-strapping chairs and lounges(done every year), new roof and gutters, High Density Poly Ethylene (HDPE) Partitions for the Men's and Women's locker rooms, HDPE Vanities for the Men's and Women's locker rooms, automated main pool chemical delivery system, replaced the sand in the 5 pool water filters, removed the old guard stands and replaced with moveable stainless steel stands, replacement of pressure relief valve on the main water line, resurfacing of the floors in the Men's and Women's locker rooms, new white coat for the pool, new in pool LED lights, skimmer pad replacement, new powered roof vent.

Amber Misiaszek: My name is Amber Misiaszek, my husband is Mike and we have a 2 year old son, Maxwell, and a 6 year old English Bulldog, Buster. This is the first year that we have been members of the pool and have lived in the community for 9 months. We bought our home last December. I served as Vice President of the Fitness Association of the Patent and Trademark Office. I am a Patent Examiner at the Patent and Trademark Office. I would like to serve on the board as a way to give back to our neighborhood and community.

Tom Ryan: Tom and his family have been members of Hayfield Pool since 1998. Tom has been the Operations Chair since 2012. Tom is a Director for CACI, Inc, managing programs for the Federal Government. While in high school and college, Tom was a lifeguard, swim team coach, swimming and lifeguard instructor, and a pool manager.

Daisy Smiley: Greetings! My name is Daisy Smiley and I have recently moved to Hayfield Farm with my husband Michael and our two young sons Quinn and Callan. I am a realtor with Coldwell Banker Old Town Alexandria. I am also a speech-language pathologist and former university professor. I previously served as the Board Vice President of our high-rise condominium in Honolulu, Hawaii and have a great amount of related experience with finances, legal matters and general management. Additionally, I have a keen eye for aesthetics coupled with a knack for making lasting improvements for optimal presentation and value. I am exceptionally friendly, easy-going and social. I look forward to helping to keep our community the best place to live in Alexandria!

Kim Wilson: My family and I have been members of the Hayfield Farm Swim Club for 14 years. While we do not live in the Hayfield neighborhood, we travel a further distance than most because we love the friendly, laid-back atmosphere of the Hayfield Pool Community. My two children have grown up being a part of both the swim and dive teams and love the time they get to spend at the pool during the summer. Over the past several years I have served as a PTA Vice President, a committee chair of our neighborhood HOA and the as the Hayfield Farm Swim Team Rep. I believe it is important to be involved in the community where my kids are being raised and would be honored to continue serving on the Board of Directors for the Hayfield Farm Swim Club.
