

Human Resources; what is it really?

Human resources is the set of individuals who make up the workforce of an organization, business sector or an economy.

“From the corporate vision, employees are viewed as assets to the enterprise, whose value is enhanced by development.”

-Elwood F. Holton II, James W. Trott Jr., 1996

Trends Toward a Closer Integration of Vocational Education and Human Resources Development, Journal of Vocational and Technical Education, Vol. 12.
