### Dear Followers of Christ,

Thank you to everyone who helped make Sacred Heart Festival a success! There were so many individuals that went above and beyond working hard for our students. Your hard work did not go unnoticed. We are truly blessed on the number of volunteers that make the fourth Sunday of July a priority every year!

The first day of school is **Thursday, Aug. 20<sup>th</sup>**. We are gearing up for year of knowledge and faith. Please understand that we are adapting to the changing guidelines. We will do our best to keep our students and staff safe. We have been working with the Richland County Health Department along with the Diocese of Toledo. Many safety procedures have been put in place. Adjustments have been made in our daily routine as well. We appreciate your support and penitence in these matters. Once the plan has been approved it will be given to our student body.

We also needed to adjust our "School Mass" held on Wednesday's. It will only be open to Sacred Heart School's students and staff, August 26<sup>th</sup> and September 2<sup>nd</sup> (Please understand this might get extended). With the limited number of pews available, social distancing and other requirements we will not have an abundant of seating available. Fr. Jeff might offer another Wednesday Mass outside of our School Mass. More information will be given at a later date.

There are many concerned parents about what school will look like. I understand your concerns and frustrations! Please remember that along with in-person schooling we are also offering online schooling through Sacred Heart School! If you choose online schooling through Sacred Heart, it is a semester commitment. However, you are still enrolled at Sacred Heart School and are able to continue to receive an excellent education. Please contact Mrs. Myers for more in-depth information about our online schooling option if you have questions.

I respectfully ask you to keep our students, staff and Sacred Heart Community in your continuous prayers. This school year will be a great year! Please practice patience and understanding. This will be a different start of the school year than we are used to. However, we are all learning many different life skills during this pandemic. Thank you for your continuous support of our students and staff.

**In God We Trust,**

**Lisa Myers**

**Online Giving Update:** If you were having trouble accessing the Online Giving feature on the website, it is now working. Of course, cash and checks will continue to be accepted. You may also drop your offering into the mail slot at the parish office as well. The baskets in the back of church are only collected after Saturday and Sunday Masses.

### **Our Lady of Consolation:**

**All pilgrimages to the Shrine of Our Lady of Consolation in Carey are cancelled until September 1st, 2020.** One of the major events to be cancelled this year will be the annual August Novena and Pilgrimage. Camping on Shrine grounds will be prohibited. These precautions are necessary because of social distancing norms in place and to reduce the spread and recurrence of the Corona Virus. Individual families are always welcome to come to the Shrine and pray. The church is open 24-7 for prayer. The Conventual Franciscan Friars who staff the Shrine pray for you each day, and hope to see you when you visit with your family or at a group pilgrimage next year.

Catholic Charities Continues to Serve People in Need During the COVID-19 Pandemic “No matter the circumstances, Catholic Charities of the Diocese of Toledo will continue to provide the most basic human needs of food, clothing and shelter to the people we serve,” says Rodney Schuster, Executive Director. “While volunteer help is now limited, and food and clothing donations have greatly decreased, we continue, to serve our communities’ most vulnerable men, women, and children across the Diocese of Toledo. “All of our services are adjusting by striving to maintain the recommended 'social distance' with others, while continuing to provide love and care to everyone we encounter,” Mr. Schuster adds. “During this time of unprecedented circumstances we ask for your prayers to end this pandemic and to protect our staff and those we serve.”

“Since our ministries are being dramatically stretched, especially without the blessing of our many volunteers and in-kind donations, we also ask for your financial support,” says Rodney Schuster, noting donations can be made online <https://catholiccharitiesnwo.org/product/donate/> “Rest assured, Catholic Charities will continue to follow the example Jesus gave us by serving the poor and healing the sick in these challenging times.” Individuals and families wanting to assist or those needing assistance are encouraged to reach out to the Catholic Charities office nearest them.
