

I AM NEW HERE

Ayres United Methodist Church is a beehive of activity throughout the week, but most people encounter us for the first time during our Sunday morning worship service.

Our Worship Service at **9:00 a.m. Sundays** is probably closest to what you may have experienced if you attended church when you were younger. It's when you'll typically find men and women dressed in their "Sunday best," but no particular attire is expected or required.

You'll want to arrive early to get oriented and to be seated. The sanctuary opens at 8:00 a.m. Many people arrive early to enjoy fellowship. The Worship Service typically lasts around an hour and fifteen minutes.

The worship music you'll hear in our services is a blend of old hymns you may remember from childhood, today's contemporary worship music and everything in between – all delivered in a spirit of excitement about who God is and what He's done for us. Teachings and sermons will convince you of the incredible reality of God's love and challenge you to live for Him – not only during our worship times together, but throughout the week.

And what about the kids? Well, they'll be begging you to bring them to church each and every week! A Children's Sermon is presented during the Worship Service and then the children are dismissed to enjoy an age appropriate fun activity where they can learn more about Jesus in an affirming, caring atmosphere.

We invite you to remain after the Sunday morning Worship Service for fellowship and Sunday School beginning at 10:30 a.m. Sunday mornings. We are certain that the in-depth teaching from God's Word will inform and enrich your life in new ways.

We know you'll enjoy your time with us, and we look forward to welcoming you into our congregation!
