

Family and friends of the Dome Lanes,
As we attempt to navigate this time of uncertainty, after 68 years, The Dome Lanes has been mandated at this time to close its operations, while following the recommendations of the Wisconsin Department of Health.

All of the Adult Leagues as well as the Youth Leagues have been cancelled to coincide with state regulations.

Wash your hands often, sanitize and stay safe!!!

We will keep everyone updated as situations change and appreciate your continued support!!!

THANK YOU!!!
