We did have a good time at our July Tech Night. Members started arriving around 3:30. Jack and Connie did a great job as always getting their shop set up and cooled down. SAJE signs out front helped new folks find their way to a cool oasis. (Thanks to Craig for the additional A/C unit!).

Jack's class on Drive Shaft Technology was well attended and people seemed to enjoy it. Jack also had the club's RTI ramp out for those who wished to flex out their Jeeps.

Doug and Joyce cooked. Dinner was a Cajun Shrimp Boil with shrimp, sausage, red potatoes, corn and mushrooms. Debi brought awesome
