

Counting Back

*Put the **BIG** number in your head.

*Count

backwards!

$$7 - 4 = 3$$

Subtract Zero

*A number minus ZERO always equals the other number!

$$6 - 0 = 6$$

Subtract ALL

*A number minus the SAME number always equals ZERO!

$$8 - 8 = 0$$

Use Doubles

*If...

$$10 + 10 = 20$$

*Then...

$$20 - 10 = 10$$

Related Facts

$7 + 4 = 11$
