

Project Prom 2018

Dear Community Business Leaders, Neighbors, Families and Friends,

On May 19, 2018, Tomball Memorial High School seniors will be celebrating their prom. The Tomball Memorial High School Senior Parent Organization (TMHS-SPO) for the Class of 2018 have already started working to raise the funds needed to provide the seniors with a drug- and alcohol-free lock-in, **PROJECT PROM**, which will be held immediately after the prom until 5 a.m. the next morning. *We need help in meeting our fundraising goal.*

Did you know that statistics from the National Traffic Safety Administration show that prom and graduation nights are the deadliest nights for our youth? Midnight to 3:00 a.m. is the most dangerous time period. Because of the tragedies that produced these statistics, **Project Prom** came to exist. By providing our seniors with this lock-in event, we know that for at least this one night we will be able to keep our kids from harm's way.

We are asking that you join us in this endeavor to promote a safe environment for the seniors of Tomball Memorial High School and their dates. Please see the back of this letter to find out about the many ways that you can support us in making Project Prom 2018 the best ever!

Your contributions are tax-deductible. We will make sure that the parents, students, and the general public are aware of how each business shows its support to make this night happen. We will place your company logo on our website and at the event.

We look forward to partnering with you in making this night a spectacular event. Please contact me with any questions.

Sincerely,

Julie Gibson

President, TMHS SPO 2018
