Memo to the RINO Republicans that voted for Joe Biden...

You are still a Republican, you say? You never left the Republican Party? Really? That's interesting because you certainly weren't a Republican on November 3rd ... when it mattered.

Republicans didn't vote for open borders, or to close the pipeline, to send American jobs back to China, or for the Green New Deal. They didn't vote for government-run healthcare, but you did. You voted to not allow picture IDs for voters, which overturns the one-person, one-vote standard needed for honest elections.

You didn't vote to support black Americans, instead you supported Black Lives Matter, a self-described communist organization that has burned businesses to the ground and terrorized neighborhoods. You voted for boys to compete as girls in athletic events thus compromising Title 9 protections for girls' sports and scholarships.

Republicans didn't vote to hand out automatic citizenship to hundreds of thousands of illegal immigrants. Without skills, jobs or knowledge of English, these newest citizens will be almost solely supported by the American taxpayer and will compete with Americans for entry-level jobs. Through chain migration, thousands more will come because you voted as a Democrat.

Republicans support the police, but you voted to defund the police. Your vote leaves women and seniors vulnerable to robberies and attacks because you abandoned funding for police departments and support outlawing guns even for protection at home.

Yes, you voted for all this when you voted for Joe Biden.

You say you didn't know about or vote for any of these policies? Well, you should have done your homework. Joe Biden published his entire platform, all 110 pages of it last July on line. All you had to do was read it. He told you everything he planned to do and now he's simply checking off each item as he goes down the list.

No, I don't believe you really are a Republican. You're a person that was more interested in getting even with someone you didn't like than you were in caring about the future of the country.

FASHION SHOW.... REPUBLICANS ROARING THROUGH THE TWENTIES.

The date is set (10/12), the place is set (Bali Hai) and now the theme has been chosen. So what do we have to do.....lots and lots and lots. I'll be asking for volunteers to help with baskets, centerpieces, gift cards and the holiday road show. So if you'd like to be on the fashion show committee or would like to be a model please let me know.

Now some more news. At our August meeting we are planning on having a mini road show. This road show will be dedicated to Women's accessories like handbags, hats, sunglasses, belts, scarves and shawls. So start checking out your drawers and closets. I'll talk a little bit more about this at our June meeting and I'd like to thank you in advance all for all the help you'll be giving.

*"Blessed is the nation whose God is the Lord."
Psalm 33:11a*

June is the midway point of the year. I do not about you ladies, but I feel like these last six months have been at least six years long.

This month holds three great days of celebration: Flag Day (14th), Father's Day (20th) & the first day of summer (21st). Each of those days is special, but as Americans we need to hold tight to the 14th. Flag Day! The day to show our pride in the Red, White, Blue. The colors that do not fade, run, or bleed.

Treat the Flag dearly. It is the symbol of our heritage as a country. The birthright of our freedom. It stands & flies for everything we stand for: Under God, indivisible, with liberty & justice for all.

Oh, & tell the guys "Happy Father's Day"!

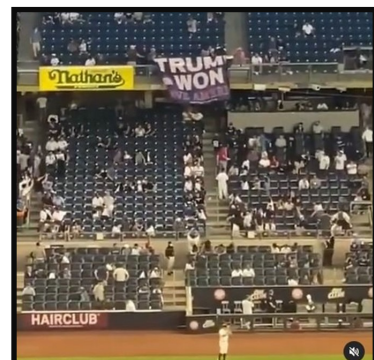

Blessings.

(ps: happy 36th to Mr. Rick)

May 15, 2021

In 1962, President Kennedy proclaimed the week of May 15th as National Police Week, dedicated to honoring America's law enforcement community and giving special recognition to those officers who lost their lives in the line of duty for the safety and protection of others.

Today, we want to also honor and give special thanks to those law enforcement officers that protect and serve us here in San Diego County *everyday*. Your service makes all our lives better.

Navajo Canyon Republican Women will always support you and your mission and you have our sincere thanks.
