

GOLF ROSEVILLE COVID-19 SAFETY PRACTICES AND PROCEDURES

(Effective December 1st, 2020)

Welcome from Diamond Oaks Golf Course and Woodcreek Golf Club!
We cannot wait to show you a fun, and safe, break from the current mandated restrictions. Thank you for choosing Golf Roseville!

Please read through the following guidelines carefully as they are changing. We will be following these strictly to ensure staff and guest safety during this time. When you arrive, please also be on the lookout for new signage to help you navigate the facility.

We appreciate your understanding during these difficult times.

HEALTH & SAFETY

When playing, golfers should maximize physical distance per CDC guidelines.

You will need to stay at least six (6) feet apart at all times. Our staff will be swinging by to make sure everyone is following this guideline.

BEFORE YOU ARRIVE

ALL guests and staff must wear face coverings when inside the pro shop or clubhouse.

WHEN TO ARRIVE

We recommend arriving no more than 30 minutes ahead of your tee time to avoid overcrowding.

DIAMOND OAKS/WOODCREEK PRO SHOP

Pro shops will be open 30 minutes prior to sunrise and close 30 minutes past sunset. When you arrive, please take the time to look at the new protocols. We have set up the pro shops to allow a certain number of customers inside to complete their business and stay socially distanced and safe. There are hand sanitizing stations at both facilities.

We highly recommend making payments by credit card, but we will still accept cash.

RESTROOMS

We are going to be cleaning and disinfecting our restrooms regularly, please practice social distancing.

CARTS

Guests will be asked to share carts with these three adjustments:

1. Whenever two people from separate households are riding together in a cart, they must have face covering across their nose and mouth.
2. Golfers from separate households will have a plastic divider in the cart.
3. There must be a designated Driver and a designated Passenger. Only the Driver is allowed to operate the cart.

Guests can request a single cart at a nominal fee (excluding tournament play).

Carts will be sanitized and washed before and after each use.

DRIVING RANGE AND PRACTICE AREAS

Feel free to warm up before your round at the range. Please remain at least 6-feet apart on the range, stalls have been set up accordingly. There must be no sharing of stalls.

Buckets will be sanitized after every use and range balls will be thoroughly washed.

Club fitting and golf instruction are by appointment only with strict social distancing in place.

The Chipping Green and Practice Bunker will be open for a maximum of 6 golfers at one time, golfers must bring and take away their own golf balls.

The Practice Putting Green will be open for use, no holes will be cut in the putting green. Golfers must use their own golf balls.

Golfers must exhibit 6ft social distancing guidelines at all times.

TEE TIME INTERVALS

Our tee time intervals will be set at 8-minutes. Please do not get bunched up on tee boxes or greens. You will be called to the first tee box at your tee time to ensure everyone stays at least 8 minutes apart.

BEVERAGE CART / RESTAURANT

We will have a roaming beverage cart service 7 days a week as play and weather permit.

Our restaurant's will be open for outdoor dining and take-out service 7 days a week.

There will be no on-course water dispensers available at this time.

MAKING TEE TIMES

Online: www.golfroseville.com

FLAGSTICKS

Flagsticks will be in the holes but should not be touched or removed by golfers. An insert has been placed in the cup to allow for balls to be "holed" but also retrieved without contacting the flagstick or hole liner. We also recommend have a generous 'Circle of Friendship' for gimmies!

RAKES & SAND BOTTLES

All rakes have been removed; bunkers will be played as Ground Under Repair (free drop outside of the bunker no closer to the hole).

There will be no sand bottles on the carts, our Course Rangers will attempt to fill in divots as they roam around the golf course.

PARKING LOT

Please do not congregate after play. Please also remember that consumption of alcoholic beverages is prohibited in our Parking Lot.

PLEASE REMEMBER!

We will need to stay at least six (6) feet apart at all times.
