Mapping Activity/Quiz Review

Please 1) locate and 2) identify the following terms on the maps on page 2 and 3 of this handout. Use different colors to draw in the locations in a neat and clear way. If you need markers or crayons, see me before the assignment is due. If you steal from your little brother/sister, give them back when you're done. Once you have finished, **memorize their locations for the geography quiz** shortly!
