Joyce's Trail Report

What a good time we all had on Saturday, April 22 at the Arms of Hope, Medina Campus! And we believe the kids and Moms did too! The looks on their faces told it all!

The weather turned cool and a little drizzly early on but cleared up as the day progressed. We don't have exact numbers but we believe 75+ kids and Moms were on hand to enjoy the day's events--The Humpty Dumpty Challenge, Trail Rides, The Pit and The Amazing Egg Race. We had quite a few more older teenagers this year than last. Unfortunately many of the very young children were not in attendance due to weather.

The food was awesome. The kids enjoyed the awards ceremony and ice cream social. Those who won medals in the Humpty Dumpty and The Amazing Egg Race were so excited by winning. Big smiles everywhere!

We had 45 or so members attend to help with the event. If you weren't able to come this year, we hope you will in 2018. What an enjoyable, heartwarming experience it was!

Regan's (MCH Minister) Comments:

We all had a great day! Kids and adults alike couldn't stop talking about how much fun they had and how awesome it was! I was told by several that it is their favorite event of the year. One housedad said he loves it because it's so different from what other groups do. Another one said the kids love it because it's of the danger factor (which they don't typically get) and it gets the adrenaline pumping. Other than the weather, I haven't heard a single complaint!

Do you have Dropbox? If so, here's a link to the pics I uploaded: https://www.dropbox.com/sh/zam0iwry09v168o/AADDObV-DIfVbs6Oldsxao_Ga?dl=0 If that doesn't work I can send them in multiple emails. I wish I could've got more but I was too busy having fun myself! :)

I know I can speak for all AOH when I say we are already looking forward to next year! Thank you all so much for all that you do!

Love & Light,

Regan
