

Caregiver's Wanted!

Help Individuals with Special Needs!

A Place to Call Home a foster care licensing agency, has an immediate need for **Caregivers** in both our **TUCSON** and **MESA** locations who are interested in providing respite care to children and adults with special needs. Respite service permits a primary caregiver or biological family temporary relief from caring for their child or adult with special needs. Respite services may occur in the child/adult's residence, in your own home or in the community (for DDD eligible – biological parents). Typical respite services are generally needed for increments of hours and in some cases may be needed for days at a time. Your caregiving services allows you the ability to make your own schedule as an Independent Contractor, services are rendered and scheduled through our foster parents directly.

The ideal candidate has the heart and compassion to provide care to children and adults with special needs; is interested in making a positive impact on someone's life, has availability and a flexible schedule, has the ability to work with children, youth and adults with special needs, (developmental disabilities, behavioral issues and/or medical needs). Experience working with foster care population is a plus.
